Please share the notification letter from OSSE via email inmidiatly as you receive it so we can respond and plan.

PRODUCTION RECORDS

Ensuring Compliance

Production Records are necessary to meet monthly requirements. Our process:

- Every Monday we will send the production record for the current week,
- Return signed copies by Friday (or the following Monday).
- Report any discrepancies via email immediately (e.g., quantities, meals, dates, special meals).
- If records are missing, a follow-up email will be sent with the missing dates and a due date for completion as a reminder for action.

MILK

A reimbursable meal isn't complete without milk

Our milk provider is Cloverland. The school will either receive milk directly from Cloverland or through milk deliveries from our main kitchen, scheduled for Fridays or Mondays

.

Please note that Cloverland's delivery days may vary from week to week.
